crypto.ro is **the #1 media platform** in Romania, about cryptocurrencies and blockchain

Established in 2020, we have consistently been at the forefront of the industry, providing our dedicated readers with up-to-date news, expert insights, and comprehensive educational materials.

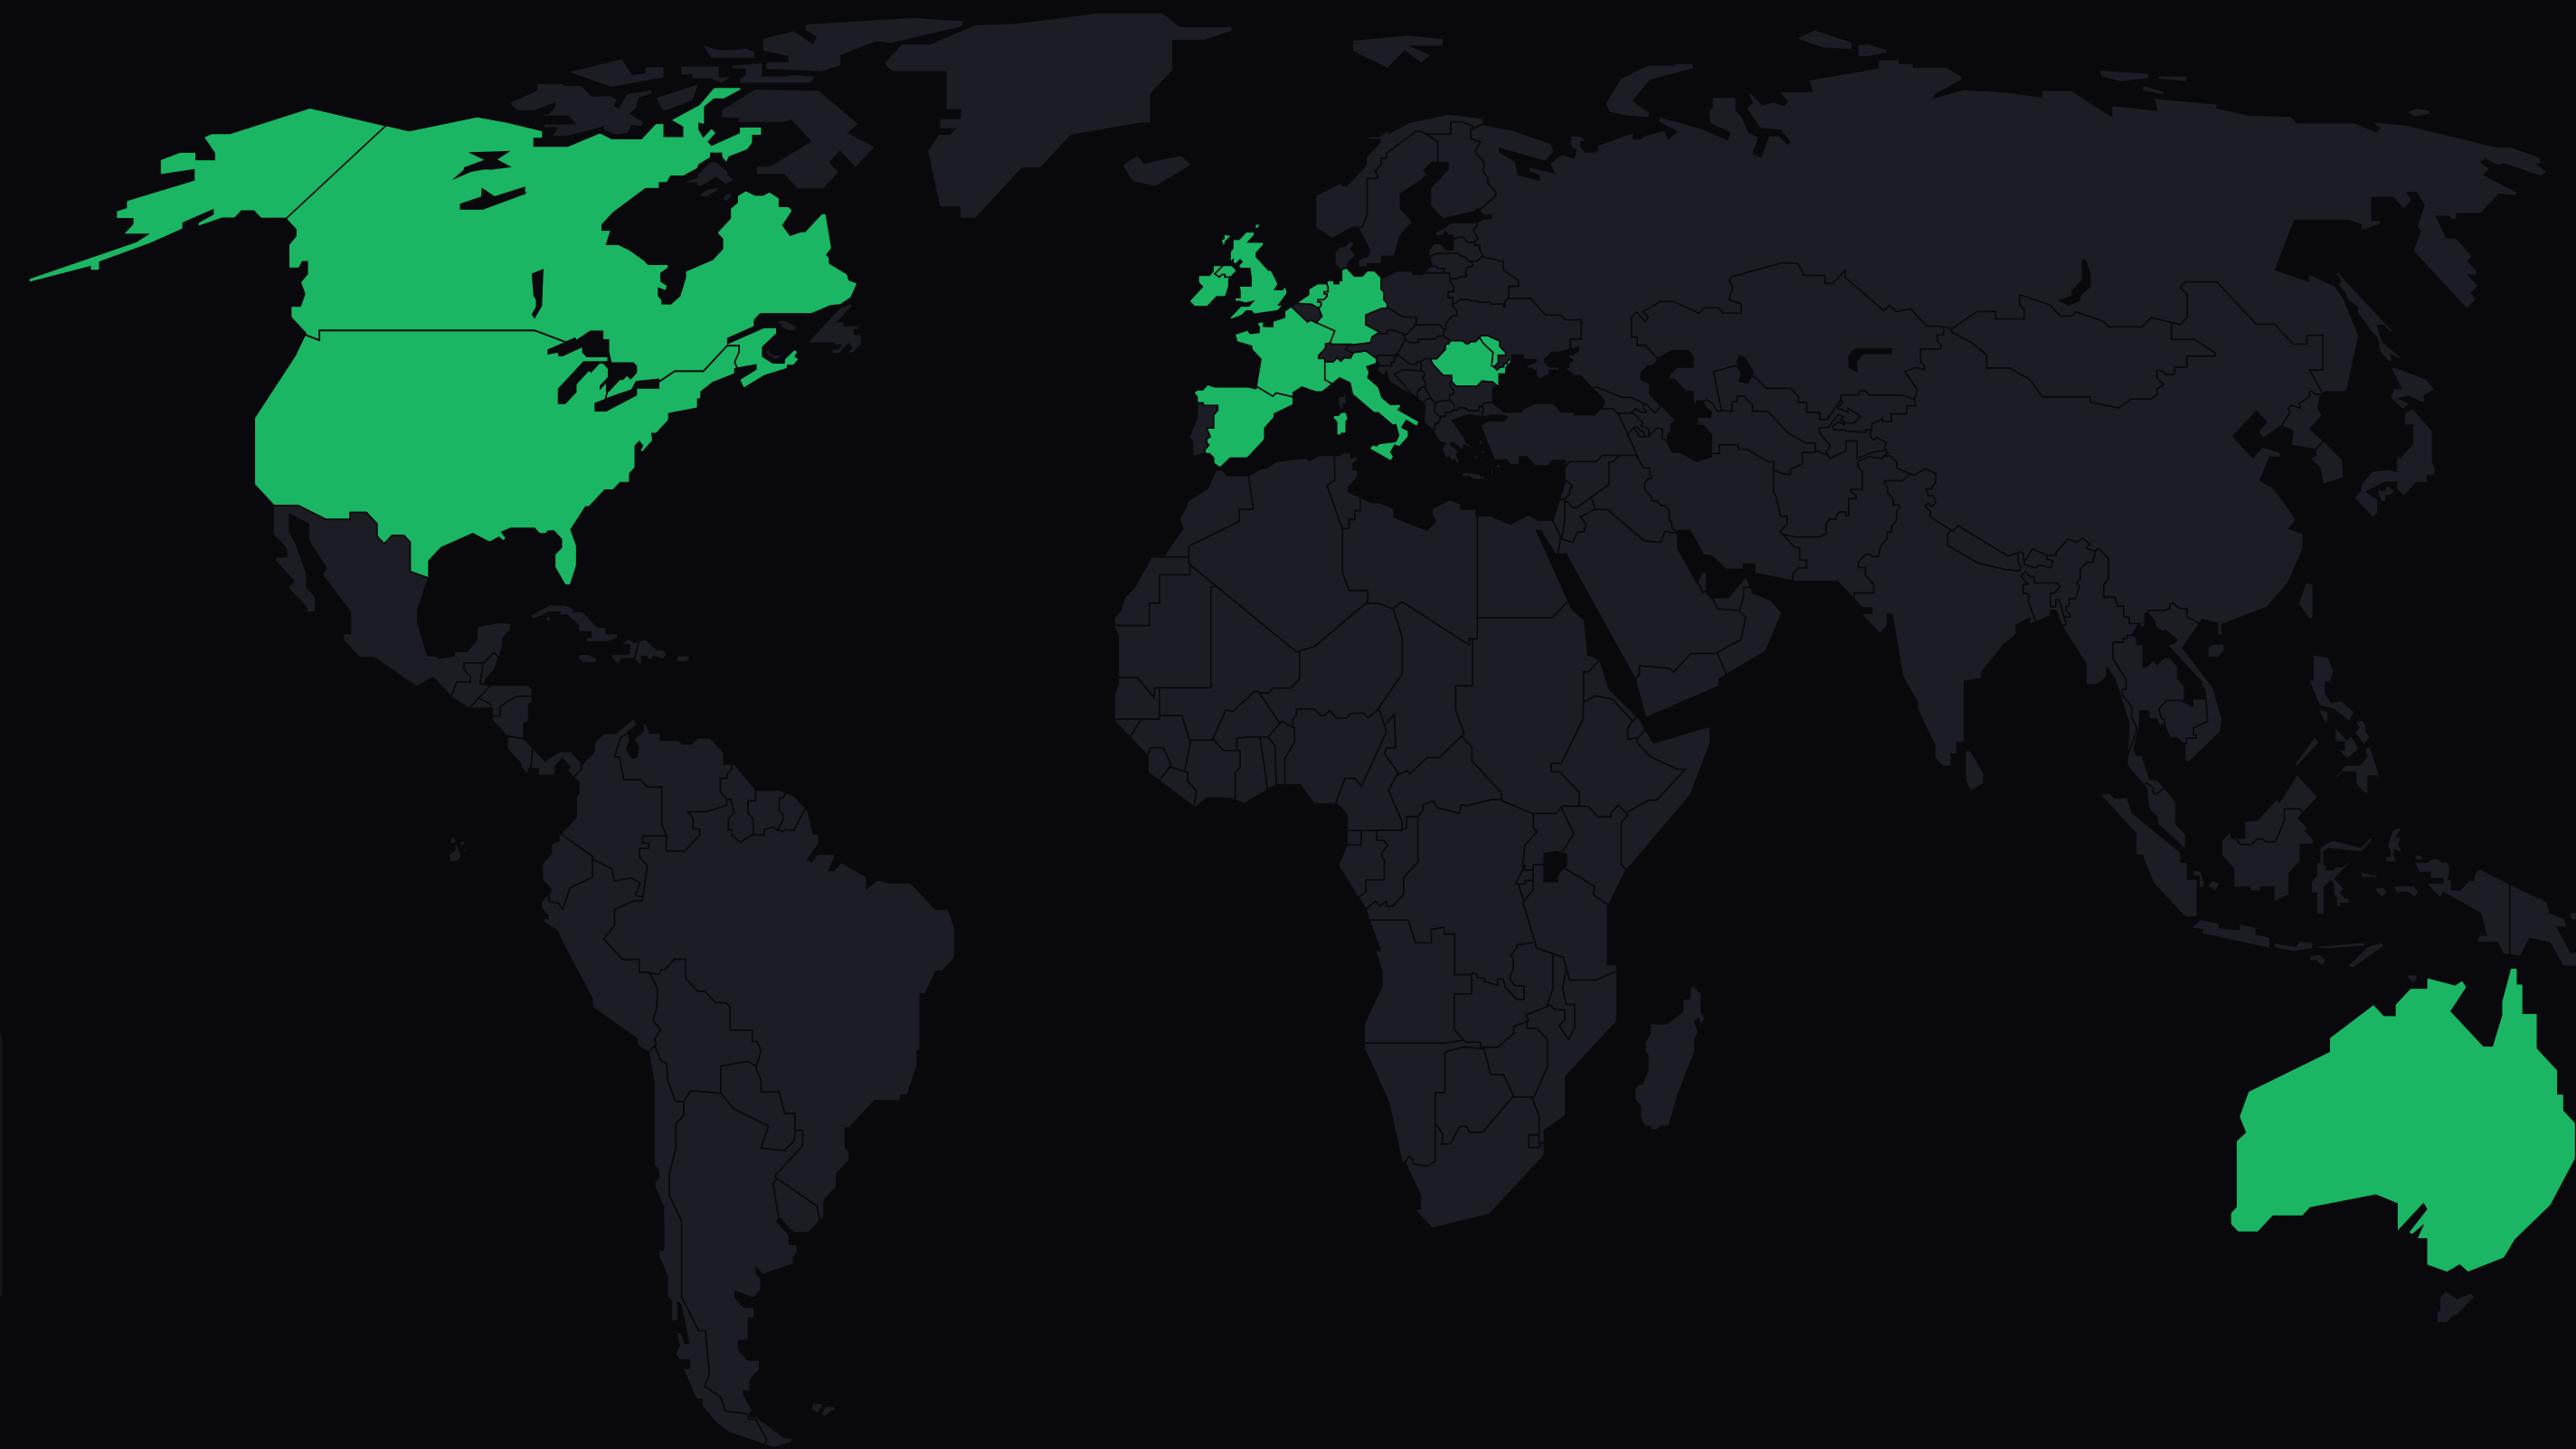

We have positioned ourselves as the go-to source for all things crypto, gaining the trust of a diverse and highly engaged audience.

crypto.ro **global** amplifies our impact beyond any borders

Our commitment to fostering worldwide crypto education and adoption presents a unique opportunity for advertisers and projects to tap into an engaged global audience.
